ABOUT PATRICK

Patrick was admitted to practice as a Certified Practising Valuer in 1988 and has covered the full spectrum of property sectors throughout his career to-date, from standard residential mortgage valuations through to complex commercial and court accredited family law valuations.

A late starter to the profession after careers in farming and teaching, Patrick commenced in residential property management with the Professionals, Essendon, and then commercial management with Jones Lang La Salle, Melbourne CBD. As a founding partner, Patrick's vision and drive has been instrumental to WBP Group's growth since it was established in 1992. WBP Group is now one of the largest privately owned valuation and property advisory companies in Australia, with offices in each state, an expanding regional presence, and team members exceeding 250 across the country.

A Licensed Estate Agent, Patrick is also an active participant and Fellow of the Australian Property Institute and a member of the Board of Examiners.
